We invite you to be a part of a special community of like-minded women who want to grow as individuals, hone their leadership skills and have an impact on the world.

Through a variety of programming and events, L.E.A.D.S. participants will gain a clearer understanding of their own leadership style and learn how to use those strengths to grow as authentic leaders. L.E.A.D.S. will expose you to women across the University and across the country who will mentor, motivate and inspire you to reach your potential.

Whether your professional goals put you in an operating room, classroom or a boardroom, L.E.A.D.S. is designed to help you prepare for life after college and lead with integrity no matter the setting or situation.
